

You are invited to Vitaflo's New Year Party!

Come join us on Saturday 9th February for an afternoon of fun with the Vitaflo team at Dublin's Children's museum – IMAGINOSITY!

There will be lots of fun activities for you to enjoy on the day;

- Chef Neil will be demonstrating some of Vitaflo's latest low protein recipes. You can also spend some time chatting to chef Neil and get lots of useful tips on your low protein cookery techniques!
- Meet our New Product Development (NPD) team and learn more about the ingredients we use and how our taste buds work!
- Meet the PKU Association of Ireland team who will be there to chat to also!
- Spend some time exploring the museum and taking part in Imaginosity's fun workshops

The details

Who is this party for?

This is a family day out for anyone with PKU, MSUD, TYR, HCU, GA1 following a low protein diet.

Location:

The Plaza, Beacon South Quarter, Sandyford, Dublin 18

12pm Arrival

12.15pm Chef Neil's cookery demo and low protein lunch

1.15pm An interactive session where our NPD team member shows you some of the ingredients used to make your protein substitute. We will also try some new products and learn about the senses we use to taste.

2 - 4pm Explore the museum and take part in Imaginosity's fun workshops.

4pm End of event
